RESOLUTION GRANTING REAL ESTATE TAX ABATEMENT TO PROJECT LOVE

WHEREAS, the Illinois Property Tax Code, 35 ILCS 200/18-165 ("Act"), provides that any taxing district may, after the determination of the assessed valuation of its property, order the County Clerk to abate any portion of its taxes on the property of any commercial or industrial firm locating within the taxing district during the immediately preceding year from another state, territory, or country, or having been newly created within this State during the immediately preceding year, or expanding an existing facility or the number of its employees, within limits set forth therein; and

WHEREAS, this taxing district concurs with the intent of the Act to induce commercial and industrial firms to locate within the taxing district from outside the State or to expand their existing facilities or number of employees, by offering financial incentives in the form of property tax abatements; and

WHEREAS, a request has been made to this taxing district to abate a portion of the taxes on property commonly known as Project Love bearing property tax identification numbers: 24-25-476-018; and

WHEREAS, this taxing district finds and declares that the property qualifies for the requested tax abatement under the Act and that the request should be granted;

1. The abatement shall be for three (3) consecutive years, beginning with the real estate taxes for the first full year of the facility's industrial or commercial operation (or in the case of an expansion, the first full year of the expanded facility's operation), payable in the year following.

2. The abatement shall apply only to property taxes for this taxing district and only to that portion of the increased property taxes resulting from an increase in assessed valuation attributable to new physical improvements on the subject property.

3. The percentage abatement shall be as follows:

   90% for the first year

   75% for the second year

   60% for the third year

4. The total abatements for the subject property for all taxing districts may not exceed the total aggregate amount of $4,000,000.00.

The County Board Chairman is authorized and directed to take all further actions to effectuate this Resolution, including the transmittal of a certified copy of this Resolution to the Ogle County Clerk, together with a letter directing the Ogle County Clerk to abate the taxes on the subject property in accordance with this Resolution.

Dear Mr. Rice:

The City of Rochelle and the Greater Rochelle Economic Development Corporation (GREDCO) have been informed that there is a company that is considering expanding in Rochelle. The current economic climate is having a significant impact on economic development opportunities all across the country. We know that a key component to this business expanding in Rochelle is going to hinge on the availability of economic development incentives.

After reviewing the size of the project and the potential economic benefits that this project will have on the community, the City of Rochelle and GREDCO are recommending a three year tax abatement schedule be offered to ***Project Love.*** I am writing to you today to ask for your support and approval of the following tax abatement schedule.

If you have any questions, or if I can assist you in any way, please call me. If you should feel it is necessary for me to attend your monthly meeting to provide additional information or answer questions, please contact my office.

We can be thankful that in light of all of the negative news on the economy, Rochelle is being given the opportunity to create new job opportunities for its citizens and expand the economic base of the community.
