

OGLE COUNTY BOARD ORDINANCE

AMENDING A RATE FOR RECORDER OF DEEDS GIS FUND

WHEREAS, effective June 9, 2000, the provisions of Senate Bill 1582 at 55 ILCS 5/3-5018 amending the Recorder's Imaging Fee, authorizes the County Recorder, with approval from the County Board to establish an additional fee for the filing every instrument, paper, or notice for record; and

WHEREAS, 55 ILCS 5/3-5018 provides that the fee collected shall be deposited into a special fund set up by the Treasurer of the County, as authorized pursuant to 55 ILCS 5/3-5018 and shall be used solely for the equipment, materials, and necessary expenses incurred in implementing and maintaining a Geographic Information System (GIS); and \$1.00 of the \$15.00 shall be deposited into the Recorder's special funds created under Section 3-5005.4 which may be used to defray the cost of implementing or maintaining the County's GIS; and

WHEREAS, pursuant to 55 ILCS 5/3-5018, "the County Board may, however, by Ordinance, increase the fees allowed by this Section and collect such increased fees from all persons and entities other than officers, agencies, departments, and other instrumentalities of the State if the increased fee is justified by an acceptable cost study showing that the fees allowed by this Section are not sufficient to cover the cost of providing the service"; and

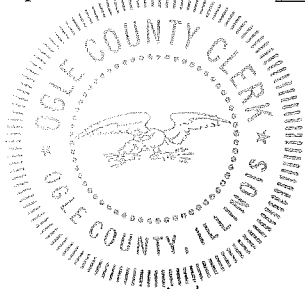

WHEREAS, the County Board of Ogle County, Illinois, has completed a study of the direct and indirect costs associated with the development and maintenance of GIS in Ogle County and the conclusion shows that the fee should be increased to cover such costs; and

WHEREAS, Section 55 ILCS 5/3-5018, allows the County Board to increase the fees allowed in that Section and collect the increased fees from all persons and entities other than officers, agencies, departments, and other instrumentalities of the State if the increased fee is justified by an acceptable cost study showing that the fees allowed by this Section are not sufficient to cover the cost of providing the service, and that any such supporting documents shall be public records and be subject to public examination and audit; and

WHEREAS, Ogle County, with the assistance of the Ogle County GIS Partnership, has determined that increasing the fee in the amount of \$5.00 (Five dollars), to a total of \$15.00 (Fifteen dollars) is necessary to assist in covering the cost of providing the GIS system, and that the increase is justified by an acceptable cost study showing the same. The cost study is attached as Exhibit A and Exhibit B.

NOW THEREFORE, BE IT ORDAINED, by the County Board of Ogle County, Illinois, that effective May 1, 2008, the fee of \$10.00 will be increased by \$5.00 for a total charge of \$15.00 for the filing of every instrument, paper, or notice of record; and that such fees collected shall be deposited into the Recorders GIS/Recording Fund #14100 to be disbursed according to law for advancement of the County-wide GIS System.

Adopted and Passed this 20th day of November, 2007.
